Dear players, guests and tennis enthusiasts,

It is our great pleasure to welcome you to Ljubljana for the WTA Zavarovalnica Triglav Ljubljana tournament!

This year marks a special milestone as we celebrate the fourth edition of the tournament in Ljubljana and the sixth consecutive year of women's professional tennis in Slovenia. We are delighted to welcome players, coaches, officials, partners and tennis fans once again to the heart of our capital.

Set in the beautiful surroundings of Tivoli Park, our tournament offers a unique combination of world-class tennis, a welcoming atmosphere and the charm of Ljubljana. Over the years, this event has become an important part of Slovenia's sporting calendar, bringing together some of the finest players in women's tennis and creating unforgettable experiences both on and off the court.

To all the players, we wish you a successful and enjoyable tournament. We hope you will have the opportunity to experience Ljubljana beyond the tennis courts—take a walk through the historic old town, visit Ljubljana Castle, enjoy the atmosphere along the Ljubljanica River or simply relax and discover the city at your own pace.

Our dedicated team is here to make your stay in Ljubljana as comfortable and enjoyable as possible. Whether you speak Slovenian, Croatian, English, or German, our staff at the Player's Desk, located at the Tivoli Tennis Center and the official hotel Lev Exe, will be happy to assist you with anything you may need.

We are proud to continue this story of women's professional tennis in Slovenia and look forward to another exciting week filled with great tennis, memorable moments and new sporting stories.

Welcome to Ljubljana. We wish you a fantastic tournament!

LJUBLJANA is the capital and largest city of Slovenia, located in the central part of the country. It is known for its charming blend of historical and modern influences, with a picturesque old town, vibrant cultural scene, and rich architectural heritage. The city is characterized by its beautiful riverside, lined with cafes, shops, and Baroque buildings, and is dominated by the iconic Ljubljana Castle perched on a hill.
